

Subsequent Caseload Data Transfer

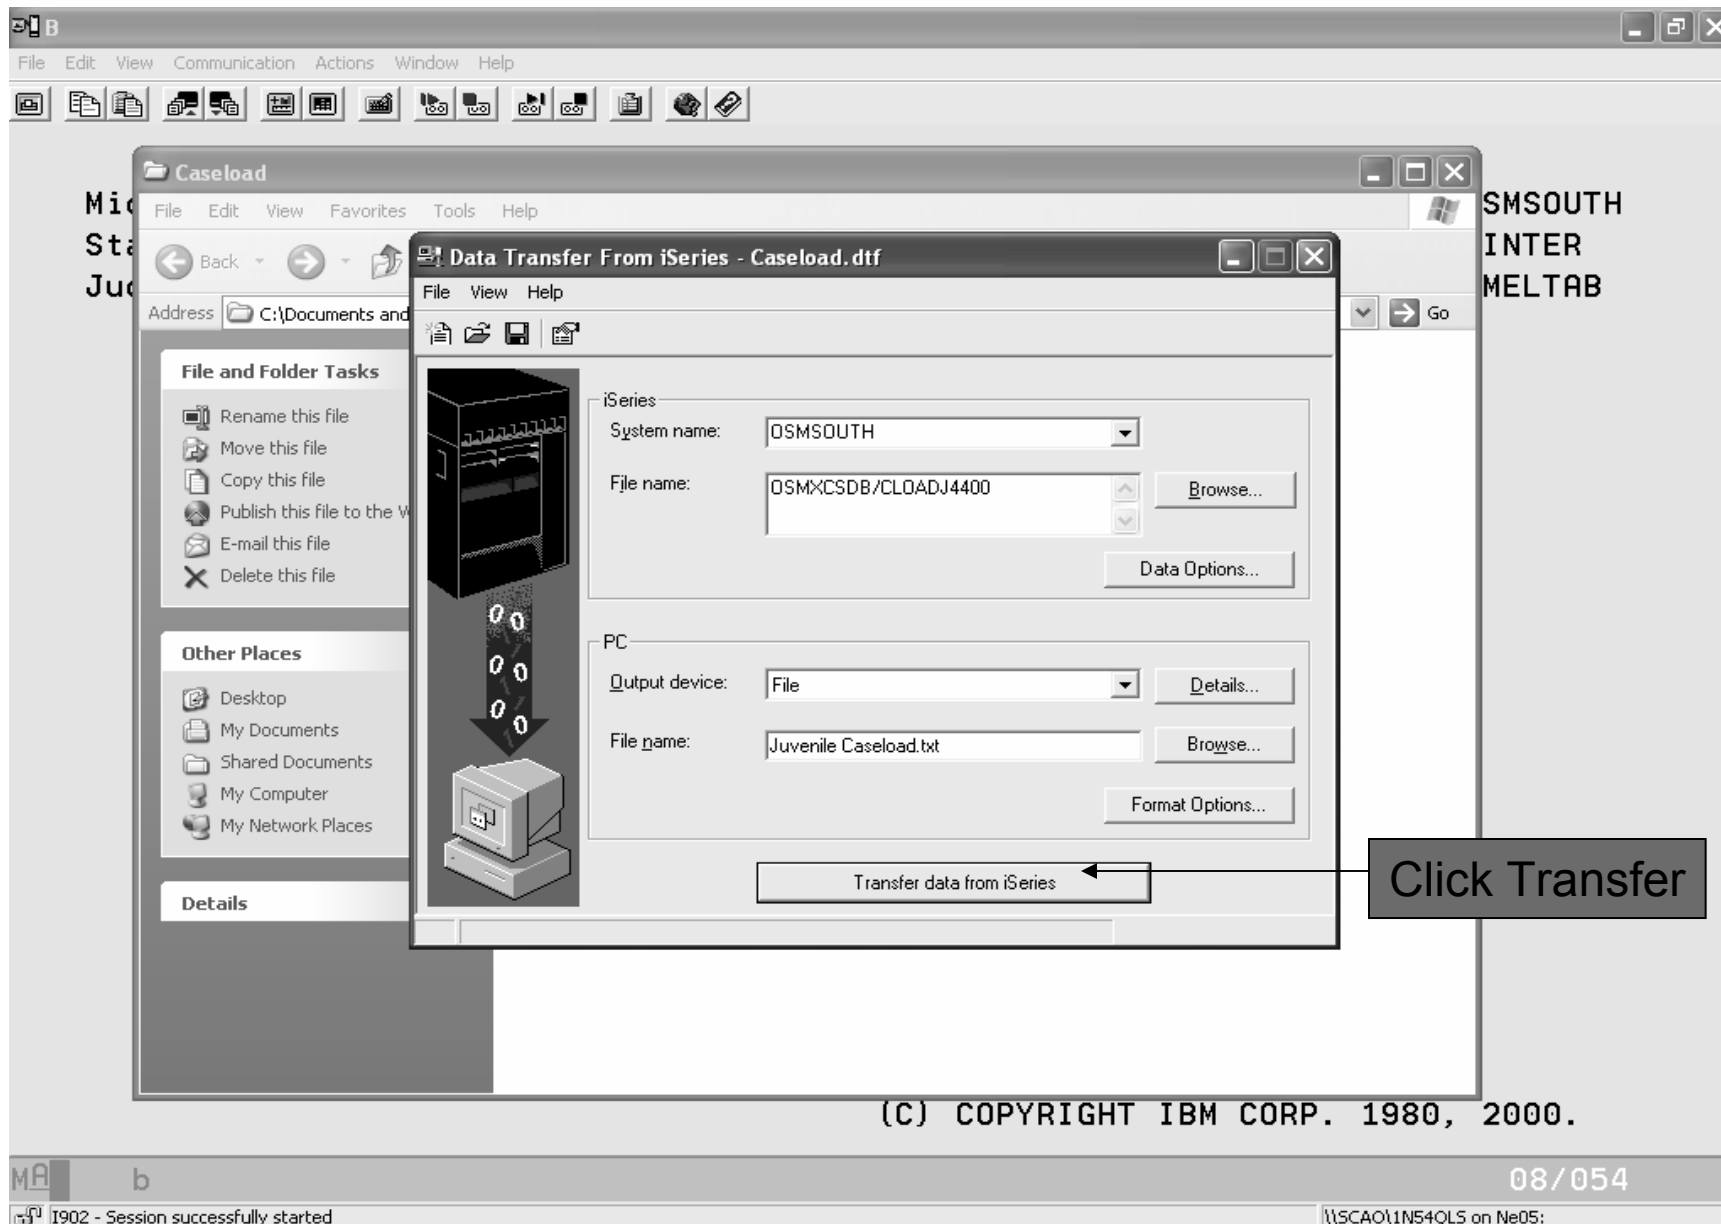

Judicial Information Systems

Subsequent Data Transfer

- You must be running Client Access software to communicate with the AS400. Your version of Client Access may vary from this slide show.
- Run the caseload report for the application that you want to transfer the data from. Circuit court users must enter “Y” in the file selection field.
- Verify that the report has completed and is accurate.
- Verify that there is a folder on your desktop called Caseload and open that folder.

☐ Append

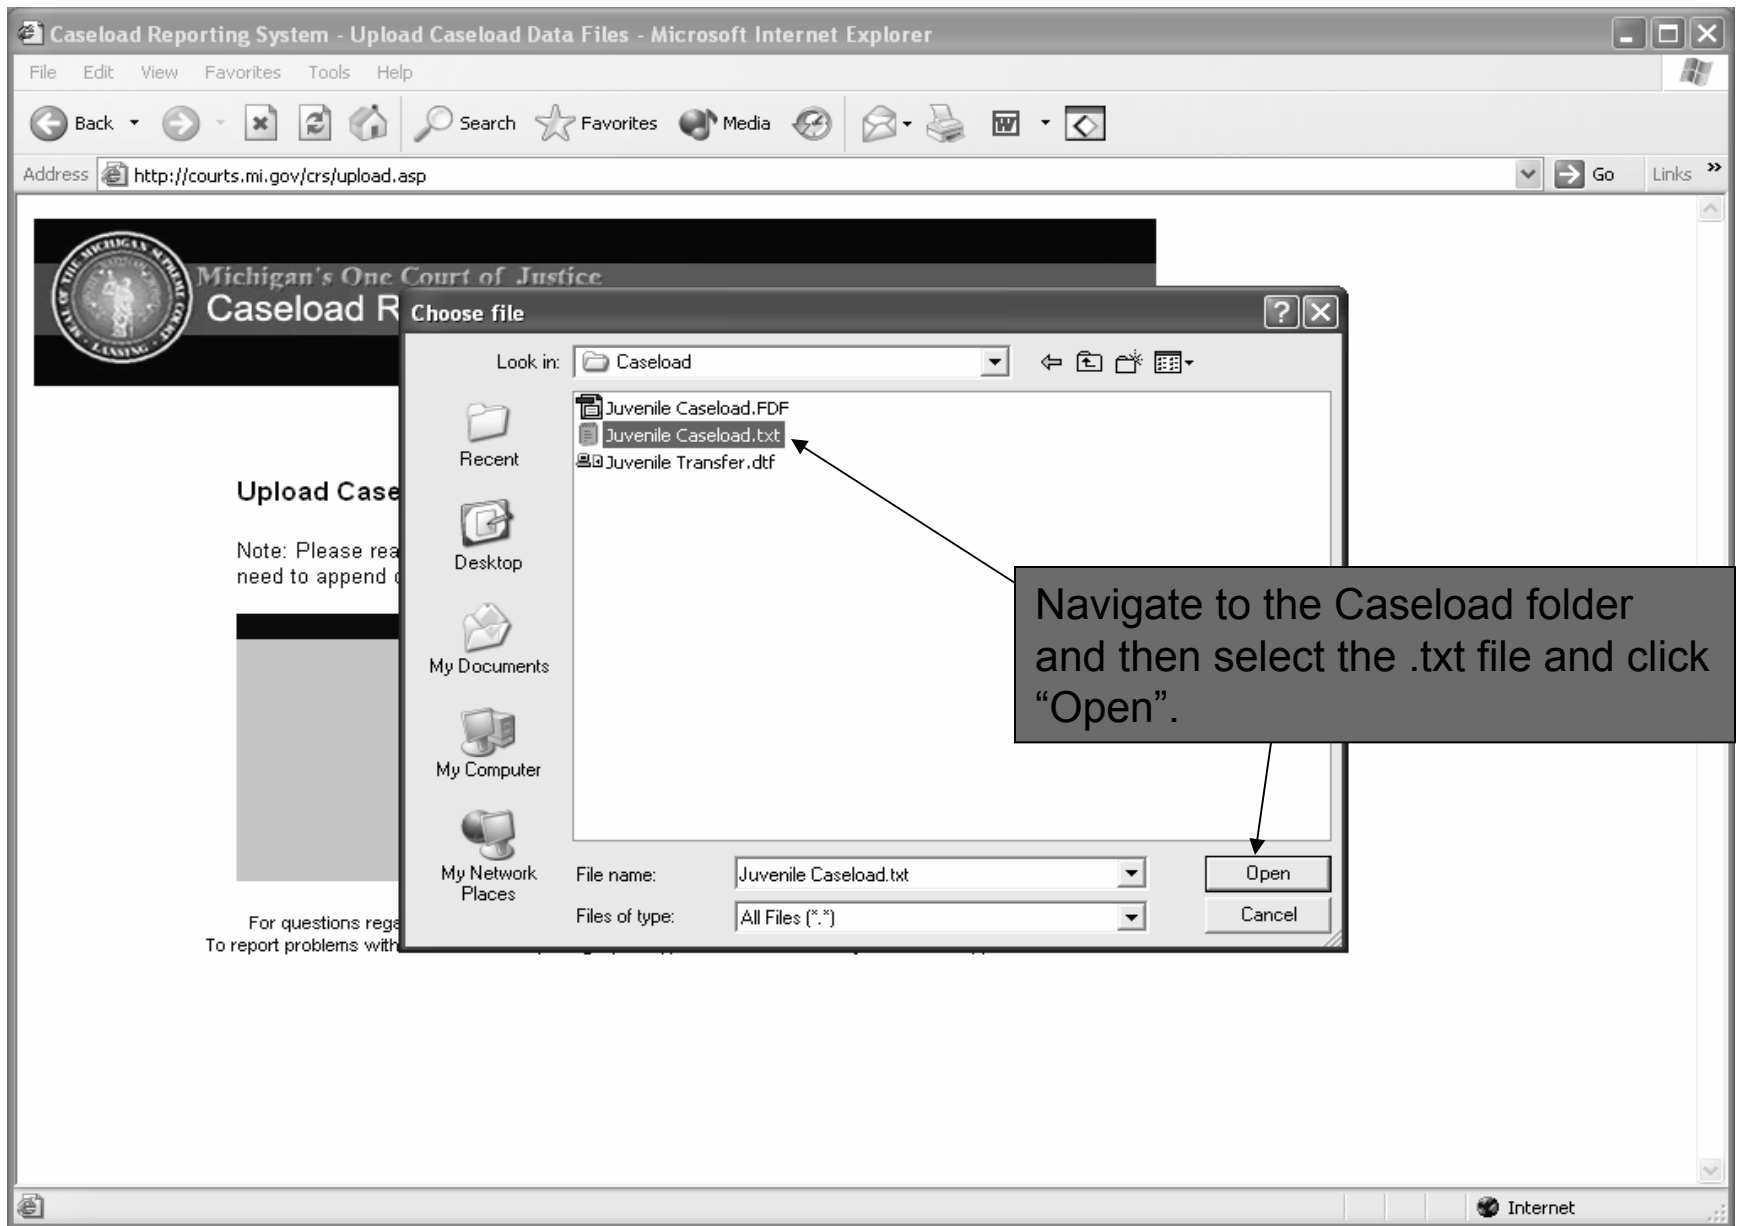

For questions regarding caseload reporting, please contact the SCAO at (517) 373-9656. To report problems with the Caseload Reporting System, please contact the Help Desk at (517) 373-9656.

Click Browse to locate your .txt file in your caseload folder.

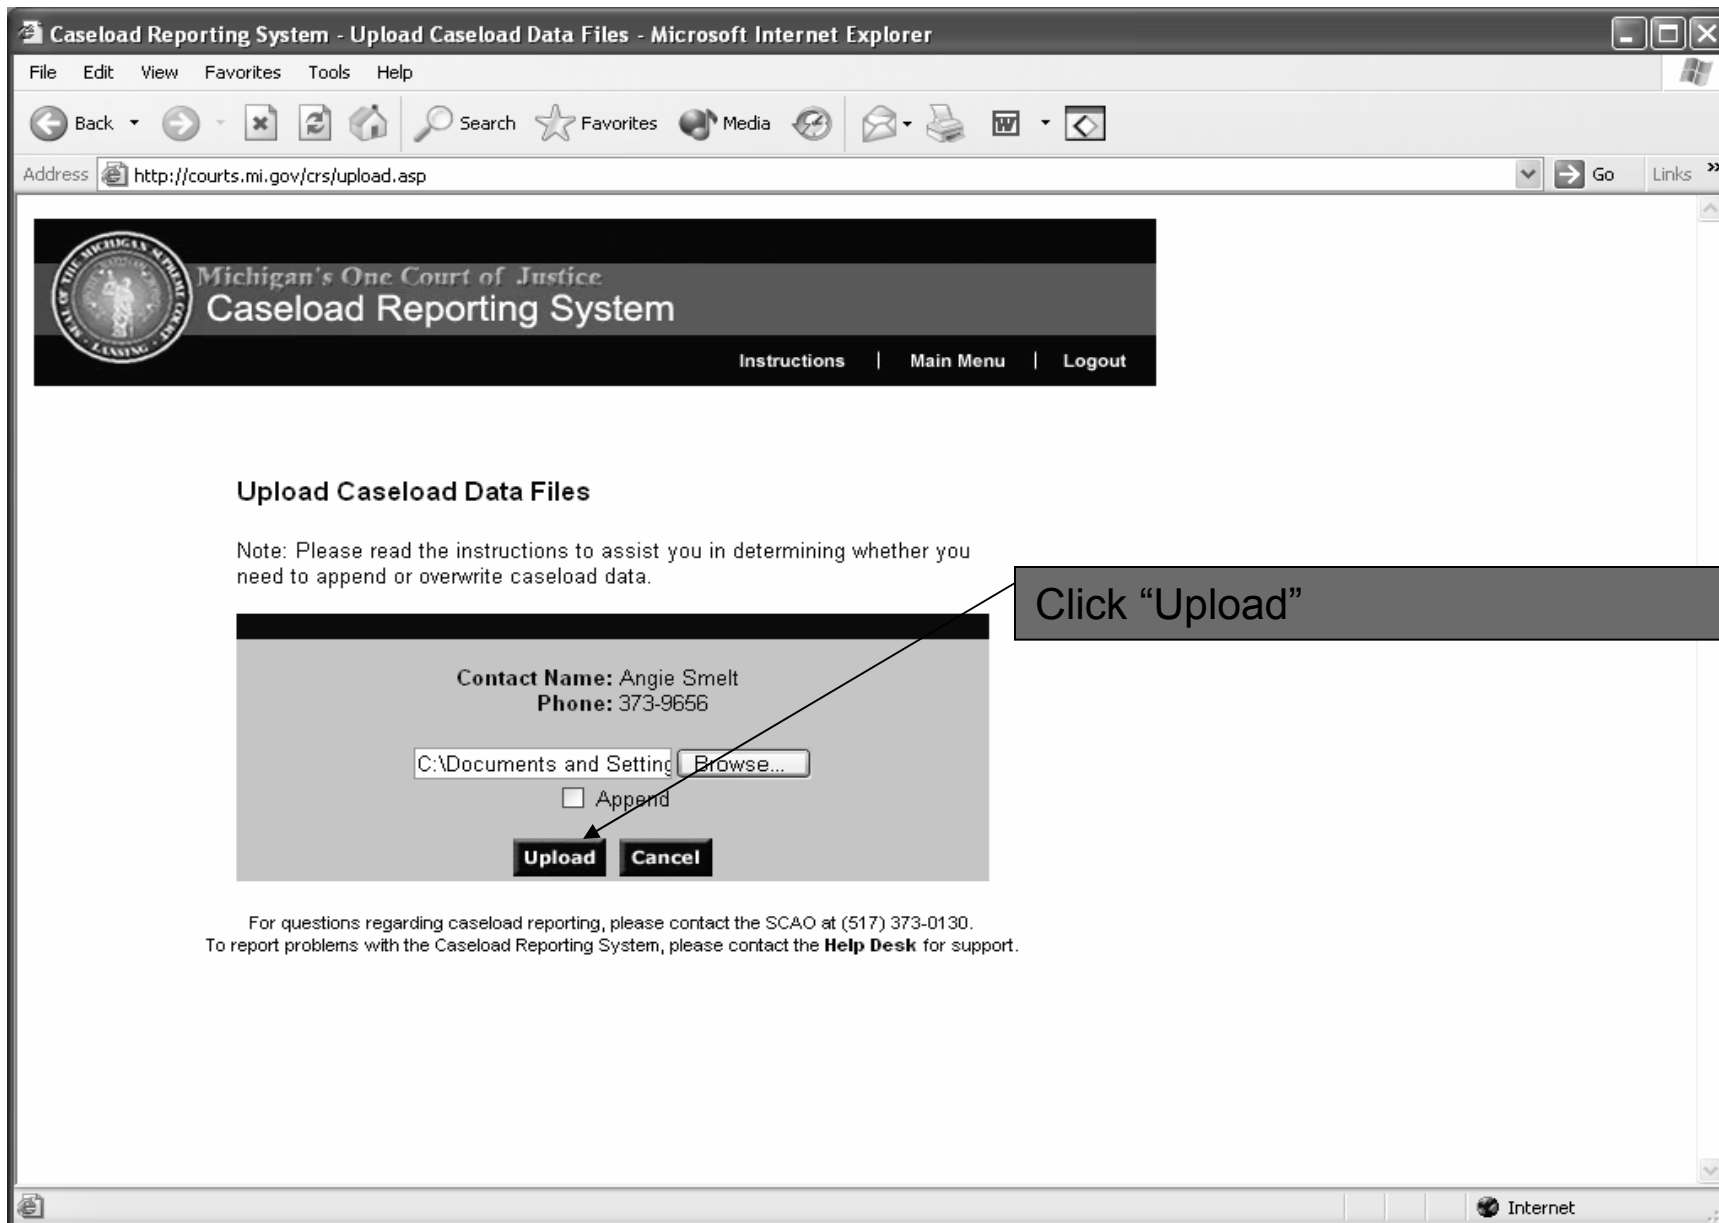

PCS Probate, CCS and PCS Juvenile courts should always check the "Append" box when uploading caseload data to prevent overlay of certain case types.

Verify Your Numbers

- Verification of your caseload numbers on CRS is critical.
 - Depending on case types processed in JIS systems and the order in which the files are uploaded, some case type numbers may get overlaid.
